• 36 artpaper tablemats for creativ doodling
• creativ activity to kepp kids
occupied during mealtime
• perfect for birthdaypartys, rainy days, dinners and any other occasion
• for doodlingartist of any age

Peng + Hu

The artists Peng + Hu discovered the Hirameki phenomenon on papers where they dabbed their paintbrushes, on studio floors and walls, and on their shirts. From this they developed an ingenious art form for everyone. Their masterly achievement has been decorated with the Order of the Blot and two doodlebugs in the Zoological Gardens of Zing have been named in their honour.
