**Wolf Erlbruch**  
**Duck, Death and Tulip**

14.90 € (D)

Rights sold: -

Sooner or later every child asks about death. With no inhibitions. Every parent knows this and yet is seldom ready with an uninhibited response. Death is a part of life but it rarely plays a part in children's books. There are some exceptions to this rule, and Wolf Erlbruch's "Ente, Tod und Tulpe" (Duck, Death and Tulip) is certainly one of the most notable. Death, it turns out, has been there all the time, Duck's constant but unnoticed companion.
