## **Moritz Hürtgen**

Moritz Hürtgen was born in 1989. He has been lead editor of the satiric magazine Titanic since early 2019 and regularly sends spoof reports to major German publications and even Reuters press agency. For his BA dissertation he successfully compared the work of the poets Robert Gernhardt and Thomas Gsella (it was a draw), but lack of attention to his minor meant he didn't graduate after all.
