Hauck&Bauer are “Germany’s funniest comic duo” (Süddeutsche Zeitung) and this new collection contains the best of Hauck&Bauer’s work over the last three years. It is already a cult! Their comic strips take on the quirkiness of everyday life and brilliantly capture the way we think and the things we say. Who are the people out there? There is no better way to meet them all than in these funny, slightly crazy, sharply witty and always affectionate strips.
