Michael Sowa has written and illustrated a children's book that plays with everything children love: there's a greedy dragon who lives in the mountain and lets rip fiery farts which engulf the whole village in pestilent clouds; there's Squire Heribert, the reluctant champion of the people, sent to slay the beast; there's the villagers themselves, eating beans and peas to beat the dragon at his own game; and there's King Achim, marching the dragon away to solve a problem of his own. With its wit and poetic charm, Stinky Hollow will take children's hearts by storm. So let's all go to Stinky Hollow!
